Click on **...** to open **Polling** to vote on agenda items

A screenshot of the Webex control bar, identical to the one at the top of the page. It includes buttons for Mute (with a dropdown arrow), Stop video (with a dropdown arrow), a smiley face icon, an ellipsis icon, and a red 'X' icon. To the right of the control bar are two buttons: 'Participants' (with a person icon) and 'Chat' (with a speech bubble icon). A red arrow points from the text 'Click on ... to open Polling to vote on agenda items' to the ellipsis icon.

Select from the answers provided and click **Submit**
